9TH - 13TH SEPTEMBER

Welcome to the 2026 Circle L ABHA National Finals

On behalf of the Australian Barrel Horse Association, it is our great pleasure to welcome competitors, families, officials, volunteers, spectators and supporters to the 2026 Circle L ABHA National Finals, held at AELEC, Tamworth, from 9th to 13th September 2026.

The National Finals represent the highlight of our competition year, bringing together the very best riders and horses from across Australia to celebrate the sport we all love. This year's event is especially exciting, with record entry numbers demonstrating the continued growth and strength of barrel racing and our ABHA community. We are thrilled to see so many competitors joining us for what promises to be an outstanding week of competition and camaraderie.

Competitors are welcome to begin bumping in from 8:00am on Wednesday 9th September, and we encourage everyone to take the time to settle in, reconnect with friends and fellow competitors, and enjoy everything the Finals have to offer.

An event of this scale would not be possible without the incredible support of our sponsors. We extend our sincere thanks to each of our sponsors and partners whose generosity and commitment help make the National Finals a reality. Please take the opportunity during the week to support these businesses wherever possible. Their continued investment in our sport allows events such as this to grow and thrive for future generations of competitors.

As we gather horses from many different regions, we ask all attendees to remain mindful of biosecurity best practices throughout the event. Please allow appropriate spacing between horses where possible and avoid sharing feed and water buckets between horses. These simple measures help protect the health and wellbeing of every horse attending the Finals and contribute to a safe and successful event for all.

Most importantly, we hope everyone enjoys a fantastic week of competition, friendship and sportsmanship. Whether you are competing for a National Title, supporting family and friends, volunteering, or simply enjoying the atmosphere, we thank you for being part of the ABHA community.

We wish every competitor the very best of luck and hope you create memories to last a lifetime at the 2026 Circle L ABHA National Finals.

Good luck, travel safely, and enjoy an unforgettable week in Tamworth!

ABHA National Finals Age Check Mouthing Protocols

Please read and adhere to the following ABHA Age Check Mouthing protocols at the 2026 ABHA National Finals.

1. Please check when you are required and be ready to have your horse checked. A time allocation for your horse will be provided for you to follow. If your horse is involved in an event at the same time, you will be moved to the end of the age check process.
2. All horses waiting need to be in the waiting area and will be assigned a witch's cone to stand by. All horses must remain 1.5 metres apart.
3. Owners will need to open the lips of the horse to show the incisors where possible – otherwise the vet will support the process.
4. If any horses are identified as not the correct age the owner will be notified by the ABHA Board members supervising the horse checks. Please be aware that a second vet will be available later in the day at 2pm to be a second verifier of the horses age by the teeth. The competitor will be required to provide further supporting information if the horse is identified not to meet the ABHA age check criteria.
5. Please read the National Finals Ground Rules and ABHA Association Rules as per ABAH Rulebook so you are aware of the relevant information regarding age requirements for the Futurity and Maturity Events.
